

Conference Sponsorship Program (CSP)

Conference Sponsorship Program (CSP) is one of the excellent services offered by EJAE that is uniquely intended to support the researchers and conference organizers. CSP provides conference organizers a privileged platform for the publishing of research work presented in conference proceedings. CSP is deliberated to disseminate scientific research and to establish long term International collaborations and partnerships with academic communities and conference organizers.

EJAE CSP special issue invites papers from the INTERNATIONAL CONFERENCE, NATIONAL CONFERENCE, SEMINAR conducted by academic institutions, organizations, university, etc.

For more details / conference sponsorship queries, please contact editor@euroessays.org, ejae.journal@gmail.com

“Conference Sponsorship selection process”:If you are an conference organizer and planning to organize any National / International conference, then you need to send the conference details at editor@euroessays.org . • Institute or Organization which is organizing this conference/event.

- Conference Dates (If you have finalized the dates or tentative month/year).
- City/Country where this conference is going to held.
- Website Link, if you have a conference website.

“ EJAE_as technical co-sponsor for your conference : Guidelines for Conference Organizers “

Once the conference is approved by the board members, we'll notify the organizer via email/phone. Please make sure you follow the instructions as per journal guidelines :

- All the papers should be in EJAE format. Please download the [EJAE_Paper-Template](#). You can change the header/footer of the template as per Volume/Issue details provided to you.
 - You are authorize to use EJAE logo on your website.
-
